- Print only what you need before travelling;
- Bring your own pen and paper to the meeting;
- Put your badge in the "Badge box" after the meeting;
- Use public transport (airport – hotel and vv.) as much as possible;
- Turn off any lights, TV, air conditioner or heater when you leave your hotel room for the day;
- If the hotel offers this service, take the energy-saving option of not having sheets and towels changed every day. And make sure it is enforced. If not, talk to the hotel managers;
- Recycle your waste: bottles, cans, paper, etc. where this option exists.
